We are a local super club that has been in the community since the mid 30's we have changed hands a handful of times through out the years one being the steinburg family for many of those years. Chad and I take pride in keeping the tradition going for hopefully many years to come We have about 15 to 20 ppl working at the 5 o'clock many of which have been with us through the years we are so grateful for every employee we had and without them we would not be able to run our establishment. we try to use some local businesses like Louie's finer meats and perlicks distillery and other distributors. Chad and I are very grateful for the opportunity to keep the tradition going as both of us have worked there for the last 17 years, Chad also worked there all through high school. Cumberland has been my home for the last 17 years and it is one of the tightest, excepting communities around everyone is willing to help everyone in need and then some and we are so proud to be apart and own a business in this community

P5 : What is the plan

Q10. What is the plan for using the grant money (How will it be used)?

We plan on re doing the bar, new coolers as they are really old, a new bar top, maybe a dishwasher and a new floor behind the bar

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

We hope this remodel of the bar will help us economically and aesthetically since the bar and everything in it has been there since 1973ish. We hope to help our customers feel more comfortable in the area and help us to keep the 5 o'clock club here in the area for years to come as we try very hard to keep the tradition of the 5 o'clock club and to keep one of the last finer dining establishments in the Cumberland area for years to come. We both take great pride and are very proud to be a part of this community and in keeping this establishment going for many years to come
